

Monsanto's  
Food 'n' Health 'n' Hope

Those Polar Bears now, who really cares now?  
- They're breedin' gender bendin' babies who won't be breedin' none  
cos PCBs, yeah! are in the seas, yeah!  
We like to think that there's a little piece of us in everyone

Cos we're Monsanto! - That's right, Monsanto!  
We're turning Satan into Santa by givin' kiddies cancer  
Comin' thru now - we're changin' YOU now,  
The mother-nature terminators of Food 'n' Health 'n' Hope

That DDT ban - don't lay it on me man!  
cos we had all these creepie-crawlies fallin' on the food we grew  
Was a revolution-ary solution,  
It's just a shame that what we sprayed on made the turnips toxic too!

Let me remind ya 'bout Indo-china  
- Them commie dominos were fallin', so they sprayed 'em into Hell!  
Gave peasant farmers Orange pajamas  
We made their jungle-cover wither, then we withered them as well!

Cos we're Monsanto! - That's right, Monsanto!  
We're turning Satan into Santa by givin' kiddies cancer  
Comin' thru now - we're changin' YOU now,  
The mother-nature terminators of Food 'n' Health 'n' Hope

It's not our fault there's Chemical warfare,  
But if there's dollars in dioxin it's our duty to supply  
that rain of poison they washed our boys in,  
A Cancer Agent from the C.I.--Hey! - I cannot tell a lie!

From Pentagon came that drug Aspartame,  
Our Pepsi-Cola with no calories was every kiddies' treat!  
When there were rumours it gave 'em tumours  
somebody falsified the data - and we called it NutraSweet!

And you get more juice now from a Dairy Moo-Cow,  
Monsanta's daily dose of hormones, them udders gonna swell!  
Don't blame the cream though, if you're in chemo  
- There may be B.S.T. mastectomies, but nobody can tell!

Cos we're Monsanto! - That's right, Monsanto!  
We're turning Satan into Santa by givin' kiddies cancer

Comin thru now - we're changin YOU now,  
The mother-nature terminators of Food 'n Health 'n Hope

Robert Shapiro! Well he's our hero!  
He's on a mission with a vision of Sustain-ability  
which means we're goin to keep on growin  
-till we're the biggest corporation in the 21st Century

Seein no future for the big polluters  
he spun an eco-friendly line in re-designin DNA  
Genetic eyes on that far horizon  
where every thing alive is privatised and every seed'll pay!

We've got the Soya, we've got the Lawyers,  
the politicians in our pockets all the way to President!  
The press and TV, to guarantee the  
co-operation of your nation in our new experiment!

You did not choose it, but you'll have to use it,  
We'll get our Round-up Ready fingerprint in every pie you eat,  
With every patent, be a bit more blatant,  
till our Corporation's domination of your Globe'll be complete!

Mister Monsanto! Monster Mutanto!  
We're turning Satan into Santa - Give Everybody cancer!  
Comin thru now, we're changin YOU now,  
The Mother-Nature Terminators,  
Hell-on-earth creators,  
Gene-manipulators,  
Biotech dictators,  
The future's gonna hate us  
  
Food 'n' Health 'n' Hope!
